

# **MOOR MONKTON PARISH COUNCIL**

## Note to all Residents

Following concerns from some Villagers about an increase in the number of HGV lorries entering the village and in some cases, causing damage to property whilst manoeuvring their vehicles. The Parish Council is asking Moor Monkton Villagers to inform any carriers delivering goods to them, to be aware that the village cannot accommodate HGVs and alternatively should use smaller vehicles for their delivery.

Meanwhile the Parish Council will be talking to the Highways Department and Oaklands Estates to discuss signage and other possible measures.

Thank you for your co-operation.

Lynne Tomlinson  
Clerk to Moor Monkton Parish Council
