

Hi Everyone

On behalf of the trustees of The Richard Kay Charity, the MMVA and the Parish Council could I take this opportunity to thank you all for the unbelievable generosity and support which made Saturdays village celebrations such a HUGE success.

Our hope is that everyone had a fantastic day and that in coming together as we did we have re-established the true spirit of what village gatherings should be like.

We all owe a huge debt of gratitude to those who unselfishly made donations, loaned their facilities, materials and equipment, organised games, baked and cooked, and gave up their time and effort before, during and after the event to help create such a memorable day. Without them it would have been impossible to consider such an undertaking and I would hope you would join me in passing on a massive, heartfelt THANK YOU to them all.

Thanks again to you all for your support.

Regards

Paul Harrison

Trustee Richard Kay Charity
